This Text Animations project (Videohive 49916632) offers a collection of 300 unique text animations tailored to captivate audiences effortlessly.

How to use text animation to design your project in After Effects?

You can use "Text Animations" to design your project.

Utilizing the MYFX Extension (v3.1.2), users can easily apply presets with just one click, organize favorites, and access integrated tutorials.

Whether a beginner or experienced user, customization is seamless with controllers and keyframes, allowing for personalized adjustments in color, motion, and effects. Compatible with any font and boasting dedicated customer support, this pack ensures a smooth and dynamic text animation experience in After Effects.
