After Effects　　Project
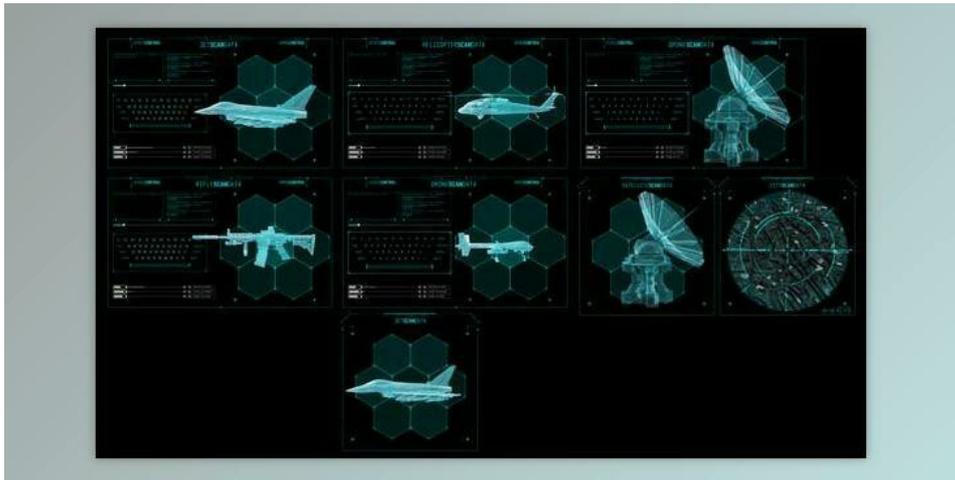

The HUD Info Military Panels 2 is an After Effects project (VH-45047943) featuring 8 customizable military-themed HUD panels. Utilizing After Effects Shape layers, these panels are easily editable within the software.

How to use the Shape layer to edit panels in After Effects?

You can use "HUD Info Military Panels 2" to design and edit your project.

Key features include 20+ HUD elements, compatibility with After Effects CCC 2019 and later versions, resizable vector shapes, transparency for seamless integration with footage, and a comprehensive control layer system. The project is universalized for all After Effects languages and requires no additional plugins, offering straightforward modification and implementation.
