

Halftone Photo Template - 94593953

2025-02-10 17:02:57 label 我要反馈 下载页面

The Halftone Photo Template is a versatile graphic design tool offering crisp and clear designs with a canvas size of 3000x2000 pixels.

It includes three dot sizes—small, medium, and big—allowing flexibility for different projects. With both vertical and horizontal PSD files included, this template accommodates various layout orientations. Perfect for adding depth and retro charm to photos and designs, it provides 300 DPI resolution, free fonts, and fully editable PSD templates. Unlock creative possibilities with this user-friendly template, supported by a help file and free author assistance.
