**Social Media Promo - AE Project VH-36617837:** Make your profile more popular on social media. Create an attractive promo for Instagram as well as the TikTok channel, as well as an opener to the channel YouTube, Vimeo, or any other online channel. Present your profile or your brand by using the **After Effects** template and simply add your content, images, or videos.

Make use of springy colors, expressive and creative animated text, design elements such as buttons, hearts hashtags, likes, hashtags. They appear on the screen, highlighting your message. These elements can make your video fun, joyful and interesting.

Shapes that are round can be a good match for the design of your brand elements or the design theme in your film. The bright circles appear optimistic and warm. They also look welcoming and warm.
