Skin Retouching Photoshop Toolkit – Kristina Sherk: This set of Photoshop tools, brushes, and step-by-step workflow guides is all you need to create unique portraits in less time.

This toolkit is perfect for you If...

- Photoshop can be intimidating. You've been putting off taking the plunge into learning.
- Retouching can take some time and leave you unhappy with the outcome.
- You've struggled to design "invisible" looking retouching.

If you were to imagine...

- Learn the most critical workflows photographers require!
- Use the power of powerful software to make unique portraits in just a few minutes instead of hours!
- Be confident and enthused by knowing that you can modify any image!
