Edm Ghost Production Cyberpunk Mid Tempo (WAV): "Cyberpunk Mid Tempo" EDM Ghost Production presents this incredible product. Be ready to enter the exciting Cyberpunk ambience by using the sample packs.

Within Cyberpunk Mid Tempo, you'll get aggressive bass loops one-shots, a variety of drum loops, one-shots, atmospheric street sounds, roads, and the space abyss.

EDM Ghost Production has synthesized the most popular aspects of the personality and energy in Cyberpunk music. Make use of loops and samples as you like! Cut, alter the synthesize, granulate, or overdrive it, then add saturation. You can use any of the most inventive methods of sound design to get the desired and sometimes impossible results.

With their atmospheric effects, amazing glitches, wacky bass loops, and one-shots you'll emphasize the top standard of all of your Midtempo, Dubstep, Neurofunk, Electro House, or Bass House tracks.

Cyberpunk's mid-tempo is wrapped by a fervent sound of bass music. The music is inspired by greats of the genre, like Hyper, Rezz, Ubur, Tynan, Syn, 1788-L Black Tyger Sex Machine, and many more. The content is royalty-free. Take a listen and listen to the audio and then download the full version!
