Pencil Sketch Art Photoshop Action By SlideSalad: The Pencil SketchArt Photoshop Action turns your photo into a masterpiece in pencil sketch art. This action saves you hours of labor. Once the action is completed, you will receive a structured and well-organized file that includes all layers, folders, and settings needed to improve the final result.

This action is tested on Photoshop CS3, CS4, CS5, CS5.5, and CS6. This action only works in the ENGLISH VERSION of PHOTOSHOP.

You can change the English version of Photoshop to English if you don't want to use it.
