**Retro Worn Text Effect - 92034645:** Ensure your showcase leaves a lasting impression by leveraging the power of visuals. This text effect offers a seamless solution to elevate your presentation to new heights, thanks to the inclusion of Smart Object Layers. These layers enable you to add text within the designated layer effortlessly – double-click on its thumbnail, replace the default placeholder with your desired text, and save. Whether you're branding logos or presenting elements, this asset is versatile enough to accommodate any project's needs. With this text effect, you can effortlessly enhance your project and ensure it stands out with a captivating visual impact.
