**Drawing Stylized Illustration using Blender and Ps:** Translation fundraising is where funds are raised to translate courses or content into different languages, often based on user requests. In this context, a team is seeking support from users to translate courses into English or other languages based on demand.

The translated content includes HD videos and project files, lasting 5 hours. The software used for the translation process includes Blender 2.93 and Adobe Photoshop 2020, with no limitations on the operating system.

The translated content covers 19 lessons and includes the following chapters and topics:

### What's included:

- HD Videos + Project Files
- Duration: 5 hours
- Software: Blender2.93, Adobe Photoshop 2020
- System: No limitation
- Project file: PSD files, map files, model files

### Contents:

- **Chapter 1: Theory**
- Composition of black and white (22m 31s)
- Refine the sketches (14m 3s)
- Three elements of color (13m 36s)
- **Chapter 2: Scene of A Fantasy Ruin 4. Basic of Blender (24m 4s)**
- Blender material and lighting (13m 47s)
- Supplementary operations-1 (4m 44s)
- Supplementary operations-2 (4m 9s)
- Modeling and lighting (8m 22s)
- Refine composition in Photoshop (7m 28s)
- Final adjustment and color adjustment (3m 5s)
- **Chapter 3: Introduction of Single Building 11. Drawing method of natural element's material (36m 56s)**
- Preview (14m 38s)
- Modeling (19m 15s)
- Rendering and lighting (8m 12s)
- Portraying (16m 25s)
- Refine the sketches (16m 56s)
- **Chapter 4: Zelda-like Scene 17. Unwrap UV and refine the texture (11m 59s)**
- Preview (21m 51s)
- Finish the portraying (16m 59s)

The team seeks support through user clicks and purchases to gauge the value and interest in the translation efforts. Users are encouraged to contribute to show their support and help the team make informed decisions.
