### Hunter Lashea - The Wedding Collection Two Presets:

Warm & Creamy Preset Collection – This pack has been carefully assembled to improve your photography with lively whites, subdued greens, and warm tones. This collection will work wonders for photographers trying to add a complimentary creamy feel to their galleries. It provides stunning edits whether you are working with daring lighting situations like low-lit receptions or full-sun ceremonies. This pack offers flexibility and inspiration.

With this collection, you will receive a complete set of 10 tailored presets designed for unique lighting conditions, a class on editing, and a great guide to ease yourself into it. While these presets are not a “one-click” solution, they are an excellent starting point for you to build on. It also allows you to refine and personalize your style.

### Includes

- 10 Custom Presets
- 1 BW Preset
- HLP (BW)
- 9 Color Presets
- HLP (CLASSIC)
- HLP (CLOUDY DAY)
- HLP (DETAILS)
- HLP (EVENLY LIT)
- HLP (FLASHY)
- HLP (GOLDEN HOUR+)
- HLP (INDOOR)
- HLP (LOW LIT)
- HLP (SUNNY)

### Editing Class

- Learn how to manipulate the best presets and modify them to suit your shooting style.

### Preset Guide PDF

- An instructional guide to the application of and adjustment of presets with a proper workflow.

**Disclaimer:** These presets are not magic wands. A combination of creativity and adjustments according to shooting style and conditions is required to achieve a unique personal style. Take your time to experiment, and let these presets inspire your creativity!
