How to use graphic elements to design visual content and create texture on images in After Effects?

You can design your images beautifully by using "Premium Overlays Grunge".

Where can I download the product?

After subscription, You can download it for free from here.

What is premium overlays?

"premium overlays" typically refer to high-quality graphics or design elements that can be added to photos, videos, or other visual content to enhance or modify their appearance. "Grunge" often refers to a style that incorporates elements of roughness, distortion, or a worn-out aesthetic. Premium overlays in a grunge style might include textures, scratches, or other effects to create a vintage or edgy look.
