Super Collage is a Later Outcomes plugin that may help you create video and photo collages readily!

Creating collages has never been simpler!

1. Browse and choose collage design

- 104 design presets, supports around 9 collage bits.
- Preview all design presets readily right in the effect management panel.

1. Customize your design

- Easily customize the form of your own collage bits directly in the essay viewer.
- Transfer corner factors, slide contour borders to make dynamic animations.
- Fix the corner roundness and openings between contours.

1. Fix your contents

- Adjusts the material of every shape. The majority of the time that you do not need to fret about the contents while you correcting collage contours.
- Provides controls to allow you to adjust the scale and position of your articles manually.

- 104 Design Presets
- Customize Collage Easily
- Dynamically Adjust Contents
