Engraved Vintage Book (Videohive 2091988) - AE Project

2025-02-10 16:45:32　　label 我要反馈　　下载页面

This ten-page book template lets you engrave photos and videos. You can also reveal vintage text using animated ribbons to create a vintage drawing animation. Video tutorial included. The front and back covers are editable.
HD1080 Adobe After Effects CSS4 TRT: 1 minute 26 sec. Images not included.
For those who don't own it, the Optical Flares Plug-in has been pre-rendered. If you do have Optical Flares installed, use the 'EngravedTemplate_OF_required.aep' file to change the lens flare used in the project.
