

Blender Market – Power Select v3.6

2025-02-10 16:47:17 [label](#) [我要反馈](#) [下载页面](#)

Power Select combines Blender's Box Select and Tweak Selection modes. By clicking, you can alter the appearance of an object or select multiple objects in a box and then instantly move the selection using your mouse. Additionally, it comes with other fantastic options like double-clicking to switch between Edit Mode, automatic activation of cage-edit for modifiers, transparent choose, select fill rapid group choice and creation and many more!

What is Blender Market – Power Select

Blender Market is a digital marketplace for add-ons, assets, and resources related to Blender, which is a popular open-source 3D computer graphics software. On Blender Market, you can find a wide range of add-ons and plugins created by developers to enhance the functionality of Blender or provide users with specific tools and features.

"Power Select" could potentially be the name of a specific add-on or plugin available on Blender Market. Add-ons for Blender can cover a wide range of functionalities, from modeling and animation tools to rendering and texturing enhancements.
