Create this amazing effect using your photos in only a few clicks. This feature is designed to help you save an enormous amount of time for each photo.

My Working Software Version: CS5 English Version. The only requirement is that you install the software in English. At the moment, other languages aren't supported.

If you're using an alternative language in Photoshop you can find an easy method of switching to English.

Certain Recommendations

To achieve the most effective result from this Photoshop Action, you should utilize solely high-resolution photos. The recommended resolution is 3000px x 300 dpi at 3500px. it is ideal.

The Layers Organization

The most appealing feature of Photoshop Action is that it keeps layers well-organized. So you can continue to edit your image in a snap while customizing it to your liking. Every Photoshop Action has its own layer organization.
