Lightroom Presets Clean Interiors CM - 6636452: Lightroom Presets Download to Clean Interiors Home, Interior Design, and Home. for Desktop and Mobile

Great for editing photos of your home Our White Rooms Lightroom presets were designed for use with professional images along with images taken with your mobile device.

If your photos appear dull, yellowish, and even green they'll rectify this annoying color cast common to indoor photography.

These presets are a very simple white appearance that works best with neutral decor and natural light.

If you are looking for bright, white crisp edits, and a consistent look...this is the ideal Lightroom Presets pack for you!

Don't be stressed by hours of editing to adjust the exposure or light slider, only to end up with a smudge or burned images! The loss of details to achieve better lighting, create the perfect appearance in a single click!
