Blender Market - Hair Brick Pro v5.0: Introducing Hair Bricks, your ultimate solution for mastering Blender's curve hair system with ease and efficiency.

Whether you're a seasoned artist or just starting, this add-on simplifies crafting stunning hairstyles while harnessing the full power of Blender's geometry nodes. Let your creativity flow, and watch your hair designs come to life like never before!

- **Hair Management System:** Say goodbye to confusion with our intuitive Hair Management System. Easily view, control visibility, and select hairs with precision. Duplicate, join, and work seamlessly to streamline your hair projects.
- **Global Control for Child Hair and Hair Radius:** Our integrated system effortlessly manages child hair and hair radius. Tailor it to your preferred workflow for simplified and efficient hair creation.
- **Hair Modifiers:** Explore a wide range of hair effects with our Hair Modifiers feature. Stack various effects to achieve your desired look with enhanced UI for easy management and visual clarity. Discover three main categories: Hair Effects, Hair Styling, and Hair Operations, each offering unique modifiers to improve your hair designs.
- **Image-Based Masking:** Unlock endless possibilities with Image-Based Masking, allowing you to apply effects to specific hair sections using image textures. Create versatile combinations and add depth to your hair designs.
- **Instance Objects of Hair:** Instantly instance any object, from 3D shapes to flat planes, perfect for creating hair cards or feathers. Enhance your hair designs with ease and precision.
- **Stylized Mesh Hair:** Elevate your styling game with our Stylized Mesh Hair presets. Choose from various stylized hair presets to create mesh surfaces for unique and captivating hairstyles.
