Event Promo (Videohive 54720150) - AE Project:

This After Effects template is compatible with versions 2021 and above, offering resolutions of 4K, HD, and Full HD. It includes a video tutorial for easy customization and utilizes universal expressions, making it suitable for any language version of After Effects. Users can effortlessly change colors without the need for plugins, and a link to a free font is provided. However, the template does not include videos, photos, or music, emphasizing a simple and minimal design that can be tailored to various projects.
