Urban Production Reel - AE Project VH-12611628:

This template is suitable for Trailer, intro, and demo reel. Create your magazine demo reel. Your portfolio, corporate openers, and opening for special occasions can all be included. This can be used on TV, for fashion events, and in other media. It can be used to create travel slideshows, simple slides, or minimal slideshows. You can also use it for company history videos and trailers. Scrolling slides, grunge media opener, sport event, brand presentation, or educational video. YouTube, Vimeo, and any other media hosting website can be used to create a video. Impress your friends with videos on Facebook, Instagram Stories, or Twitter.

Urban Production Reel template has high quality, is well-organized, and is easy to customize. Modularity allows you to change the length of the project. The project includes a video tutorial. Even if After Effects is not your first choice, you'll be able to complete your task quickly. Drag your image or video to edit the text. You can add audio to get the final product.
