VG Studios Tokyo Dream Preset Pack:

This Lightroom preset pack delivers a nostalgic retro film aesthetic with cinematic grain and bloom, which is ideal for RAW image files and compatible with any camera.

It includes a variety of film-inspired looks:

- **Asakusa:** Clean, bright vintage with Eterna greens.
- **Harajuku:** Green tones for a classic vintage feel.
- **Odaiba:** Warm, cinematic yellow tones.
- **Roppongi:** A modern-meets-retro clean look.
- **Roppongi Days:** Warm-adapted clean tones.
- **Shibuya:** Orange and blue contrasts for low-light shots.
- **Shinjuku:** Dreamy bloom, great for sunny days and blue hours.
- **Shinjuku Nights:** Enchanting night tones.

Customize exposure, temperature, and tint for the perfect look.
