

Dynamic Plate Titles for After Effects (Videohive 52466865) - AE Project

2025-02-10 16:52:18 label 我要反馈 下载页面

Dynamic Plate Titles for After Effects is a visually engaging template showcasing lively, hand-drawn plate animations accompanied by dynamic text titles.

How to design your project with editable text layers and color controls in After Effects?

You can use "Dynamic Plate Titles for After Effects" to design your project.

Presented in a 2D abstract aesthetic, these titles inject a lively and colorful essence into your projects. Featuring editable text layers and color controls, customization is effortless. Ideal for social media, lower thirds, and infusing a playful atmosphere into your videos, this template offers 4k resolution, full-color management, font links, and video assistance. Compatible with After Effects versions 2021 and beyond.

Package information

The latest update to this After Effects template, released on May 29, 2024, is compatible with After Effects CC and includes the project files with 8 text placeholders.
