Before you carry on, you will find 3 things that you Want to understand

- Section of profits goes to charities (Humane Society, Individual Right Campaign, Charity Water, St. Jude Children's Research Hospital, etc..)
- DON'T BE AN ASSHOLE: BUY PRESETS, DON'T TRADE. Should I find You're investing in presets, I will curse your Lightroom Catalogs will Corrupt every time you are going complete viewing a semester
- HD Presets will be for one to streamline function, keep Consistency, and accelerate editing procedure. They Aren't Meant to make you a better photographer. A Fantastic photo consists of greater than just the ideal Presets: mild, exposure, composition, configurations, etc...

HD Presets Bundle 3 to Adobe Lightroom along with Adobe Camera Raw From Henry's Diary (Henry Tieu Photography)

What is included:

- Only as each of the additional presets, these four Presets are termed After iconic areas from the state of Washington:

HD - Aiki: Named after a Gorgeous beach in West Seattle using all the most epic Skyline view of this town, that this preset is very accurate to tone. Launched By movie, and greatest use during gloomy hours. Small tips: correct the comparison As stated by the mild setting you are in.

HD - Rialto: Named after a Gorgeous shore of the Olympic National Park. This Preset is for if you would like to produce your blue pops. Better to use during Blue hours or areas including Banff and North Cascades National Park in which you Have plenty of blue and teal on your own photos.

HD - Shi Shi: Known after a second Gorgeous beach in Olympic National Park. This white and black has a faded appearance with a lot of grain. This is Fantastic for close-ups, in-home sessions, and also some other pictures which you desire a Classic retro vibe.

HD - Snoqualmie: Named after the many famous waterfalls from Washington. This Preset can also be my use preset last calendar year. It is a combination of HD - Rainier from package 1 plus HD - Ruby from package two, and so It is that the Most versatile one to get a general heat but still quite true to tone.

- All sales will be final. No refunds. No returns.
- The download link will probably expire 24 hours following purchase.

Free Tips:

I Take everything in RAW Only Somewhat under-expose to ordinary expose. NEVER OVER EXPOSE

White Equilibrium: Cloudy or at Kelvin depends upon if I have java or Maybe not (haha)

My Equipment: Sony A7Riii along with Sony A7iii. These presets have been analyzed on Canon And Nikon photographs too.
