**Event Promo Opener - AE Project VH-37725844:** The event Promo Opener is an engaging multiscreen promotional template. You can quickly and easily make your next video on YouTube, Vimeo, or any media hosting website. Drag and drop your images or videos onto the site, place your logo, add text and you're set to start! The scenes are created in After Effects without the need for pre-renders or plugins. As a result, everything can be easily customized. New scenes and animations can be made very quickly.

- Short (50") and Short (25")versions are available.
- 100 percent After Effects super easy to edit
- After Effects CS6 and Above compatibility
- No plugins required
- Free updates
- Free Fonts, links included
- Video tutorial in detail with voice-over included
- Universalized Controller
