Abstraction HUD Pack 3 - AE Project VH-40332766: To create these templates, we made use of Hudge. The template can be changed.

The Hi-Tech elements were created entirely within After Effects (Except 3D models). You can therefore take any part of any element modify of the fonts, texts, or effects, and then use it to create your own unique HUD. You can also customize specific parts however you'd like. Find a creative approach to make use of all the elements.
