

Creative Slides for After Effects (Videohive 52426657) - AE Project

2025-02-10 17:05:58 label 我要反馈 下载页面

Creative Slides is a versatile template designed for crafting visually appealing presentations, social media intros, and promotional materials.

How to create engaging visual presentations, social media introductions, and promotional content in After Effects?

You can use "Creative Slides for After Effects" to design your project.

With a focus on style and vibrancy, it offers a collage of geometric shapes and placeholders for photos or videos.

Customizable colors and editable text allow for personalization, ensuring a sleek and dynamic outcome suitable for various purposes such as fashion, marketing, or portfolio showcases.

"Creative Slides for After Effects" Samples:

Key features include unique animations, modular structure, full-color controls, font links, and compatibility with After Effects 2021 and above. A comprehensive video tutorial is also provided for easy usage.

Package information

The After Effects project, updated on May 27, 2024, is compatible with the CC version and includes 13 media placeholders and 18 text placeholders, offering resizable resolution.
