Promo Tablet (Videohive 1678369) - AE Project: This AE template has been created By regular tools just -- no more third-party plugins.

- Eight Tablet's webpages -- to make a tablet computer Demonstration -- You are able to fill those pages of almost any sort content: pictures (display Shots, by way of instance), texts, videos;
- An imitation of text input (see the Record);
- 3D models such as your black and white pills Inserted into After Effects, and that means it's possible to choose what pill color you desire;
- Graphical components for your Tablet interface (normal icons, toolbars, loader(tablet computer keyboards, back floor);
- Decor components (pointers, etc.), rating-stars);
- Hands move;
- This template works properly with CS4, CS5, CS5.5, however NOT FOR CS6: AE CS6 does not Service 3D.

That is an After Effects project document, for After Effects CS4. Width -- 1280 px-- height -- 720, frame speed -- 29.97 fps. (HDV/HDTV 720 29.97)
