Ultimate Lensflare Pack 4K VAMIFY: The Ultimate Lens Flare Pack for Filmmakers.

Check out our ultimate Lens-Flare-Pack, stacked with 80 unique and handmade lens-flares! We experimented in our studio with different lights and shot them in 4k with the Sony FS 7. In the end, we created lots of effects suitable for any project. Lens flares are still a big hype. You can find Lens-Flares all over big Hollywood productions and music videos. They improve a picture immensely and can make the footage look more intriguing and high-class. Lens-Flares are a must-have for any filmmaker and should belong among the critical assets. With Lens-Flares, You can create stunning transitions for videos or improve travel videos by making the sun pop. Any filmmaker can profit from them, as they are essential to filmmaking. With our handcrafted Lens-Flare-Pack, you will receive 80 flares divided into three main categories. There are Crystal-Flares, which offer excellent light refraction. The other section is Lens-Flares made with flashlights, divided into warm tones like yellow and red and cold light flares in purple and blue.
