Fusion Text Effect - 91973040: Captivate your audience with visuals that tell a compelling story. Ensure you've gone the extra mile to deliver an awe-inspiring showcase with this text effect. The Smart Object Layers included make it easy to achieve desirable results. Add text inside the designated layer (by double-clicking its thumbnail), replace the default placeholder, type any text, and save! The asset includes Adobe library's fonts, but you can use any typefaces you need; the effects perfectly adapt to them. Whether it's branding logotypes or presentation elements, this effect is versatile enough to enhance any project.
