- Color and Black & White: Explore four captivating color presets and one timeless black and white preset, providing diverse editing options.
- Compatibility: Designed for @Lightroom Classic version 7.3 and newer.
- Please note that these presets are specifically for Lightroom Classic and are not for mobile use.
- Comprehensive Instructions: A detailed PDF guide with download and installation instructions is included, ensuring a seamless setup process.

How to install

- Open Lightroom Classic and go to your Develop Module
- Under File, select > "Import Develop Profiles and Presets..."
- Now, find and select the ZIPPED file “ASP Presets” that you downloaded from your purchase. It should be in your "Downloads" tab

Once selected hit Import

- That's all there is to it! They should show up under your presets tab in Lightroom

What is Ashlyn Stott Photography Presets Pack?

Photography presets consist of predefined image processing settings designed to be applied to photos, enabling users to attain a specific visual style or look. These preset packs are typically crafted by photographers and can be either sold or shared with others who aim to recreate a particular aesthetic in their photos.
