Most important instruction:

(1) This action will result in a stop message. Set the foreground color to #ffffff. Next, choose the Brush Tool (B), and load some watercolor brushes. You should brush the subject a lot. Different watercolor brushes are available. I use swb O4,05 and 11 brushes. Click the action button. Please carefully read the instructions for stopping messages.

(2) Open a photograph and create a new layer. Next, use a soft brush and paint your image. Close the paint layer eye. Keep selecting the paint layer. Click on active play.
