Most important instruction:

- (1) Open an image within Photoshop. You must now resize the image. To resize your image, select the crop tools in the menu at the top. There you will see W x H Reso three boxes. Write W 3000px, H 2000px, Resolution 72. Extend the area around your image for optimal results. Select the Background image you want to use, use the crop tool in the tools bar, and expand to all sides. After that, press Enter button.
- (2) Open your picture. And create a layer, then change the name to "paint" (in lowercase). Choose a brush to paint your photo. Make sure to close the "paint" layer ey, continue to select the "paint" layer, and then click the play button.
