Gaia LUTs – Earthy Color Grades: Gaia is a set of 12 Lookup Tables (LUTs) Crafted to color grade your videos using all the organic, muted color palettes of nature. Inspired by our favorite Earth Tones photography pack, the subtle Color ranges improve greens/browns/oranges/yellows which makes them ideal for your Wedding, travel, and lifestyle styles, amongst others. This bunch of LUTs comes In both CUBE and 3DL formats, in addition to Generic LOG and Rec.709 profiles.
