

Fashion Promo (Videohive 39236555) - AE Project

2025-02-10 16:39:32 [label](#) [我要反馈](#) [下载页面](#)

The **Fashion Promo** template highlights its simplicity of use, universal compatibility, and the absence of included music tracks and pictures.

How to design an advertising mod in After Effects?

You can use "Fashion Promo" to design your project.

The template is designed for Adobe After Effects CC, with a high resolution of 3840x2160 and a file size of 827KB.

"Fashion Promo" Samples:
