Chalk Line Background DVR Macros (VH 52810107):

This project offers a collection of 12 looping background macros designed for DaVinci Resolve 18 and above. The backgrounds are available in 4K resolution (3840×2160) at 30 FPS and can be easily customized with color changes. Installation is simple with a double-click to install process, and no additional plugins are required. The project is user-friendly, allowing for drag-and-drop functionality, and includes a helpful video tutorial for guidance. Ideal for various video projects, it provides an efficient and straightforward way to enhance your content with high-quality backgrounds.
