Project　　VIDEOHIVE

The Minimal App Promo is an easy-to-use After Effects template featuring unique, minimalist animations with realistic 3D objects. It allows quick customization by replacing text, changing colors, and more.

How to design a 3D project in After Effects using templates?

You can use "Minimal App Promo" to design your project.

The project includes 14 media placeholders, 1 logo placeholder, and 26 editable text layers. Key features include compatibility with After Effects CC2023 and above, full HD resolution (1920×1080), required Element 3D plugins, and universal expressions. The package is entirely created in After Effects and comes with a video tutorial for ease of use

Package information

This After Effects project file, last updated and published on 17 May 2024, is compatible with After Effects CC and requires the Element 3D v2 plugin.
