Web Gallery (Videohive 43647793) - AE Project: A template to promote your website in 3D gallery style. Simple design and easily customizable.

Web Gallery is a template that can be used to show and promote websites of computer or laptop applications, tablet sites, services, and user interfaces. The placeholders can be used for videos, screenshots, and animations. The best method to advertise your website is The template! An innovative project to promote the promotional landing page or website with fresh and original motion designs.

Web promo is the sequel to this popular series. It is developed in After Effects. Ideal for promoting your latest website or app! Simply drop a screenshot of your website onto those placeholders on the screen, alter your text, and then render.

- Adobe After Effects CC 2013...CC 2022 or higher version of the software required
- 1920x1080 resolution available / 25 fps
- 1:03 min duration total
- 11. Media placeholders (photos or videos)
- 27 editable titles
- Universal expression is available. You can work with any software for languages.
- No plugins required / 100% After Effect
- Font used in preview not included. However, hyperlinks are available within the PDF.
