Soft Cloth Website Promo - AE Project VH-34585347: Soft Cloth Website Promo is a template universal that allows you to easily design your brand identity, corporate presentation, and promo video to host your video.

All footage was made in Cinema 4D and rendered in high-quality Full HD using the laptop's 3D model.

Soft Cloth Website Promo includes:

- Logo placeholder
- 7 video or image placeholders;
- 14 placeholders for text;
- Music placeholder

Project includes:

- No plugins required;
- Each screen can be used for your UIWEB and Photos, or Videos;
- Full control of colors;
- It works with any font;
- AE CC 14 and up;
