Typography Titles for Premiere Pro VH-53315299:

Typography Titles for Premiere Pro is a versatile template offering a range of animated titles with customizable colors and editable text.

Featuring a modern, abstract, and glitchy style, it's perfect for dynamic text animations in urban-themed videos, lower thirds, and promotional content.

The template allows for various effects such as morphing, blurring, and texturing, making it suitable for bright, colorful presentations, grunge-style intros, or minimalistic hand-drawn designs.

It works with any fonts and is compatible with Premiere Pro 2021 and above.
