- 1.
- 2.

Pepakura Designer 6.0.6 (Win) is a powerful tool that transforms 3D models into detailed 2D patterns for paper crafting.

How can we convert 3D models into accurate 2D patterns for paper making?

You can design your project using "Pepakura Designer".

Ideal for both hobbyists and professional designers, it allows users to bring digital creations to life with precision and accuracy. Key features include the seamless conversion of 3D CG models into unfolded patterns, making it an essential resource for enhancing the art of paper crafting.
