History Slideshow (Videohive 33672926) - AE Project: The History Slideshow isn't simply another duplicate like the others on videohive. Every composition is unique thanks to your pictures! The project was created as the other ones I've created with careful consideration to every little detail. Video tutorials show how you can easily create compositions using photos and videos or text, and then adjust the layout to suit your needs. Choose for yourself if you would prefer to create a stunning, unique, and unique animation or a different the same copy. If you need assistance, contact me! I will respond in minutes.

To make use of this project, you must have After Effects software. It's recommended to use Your Videos or Pictures Clips and titles. Videos, images, and the music track that you've been able to preview are not included.
