Vintextures 2000 Digital Camera Textures: Experience decades of progress in seconds with 35 digital camera assets. Transport your project back to 2000 with vintage tech textures, all delivered in stunning 4K quality. Whether for professional or personal use, streamline your workflow and transform your process into a playful, creative endeavour.

Create emotion without handling a camera yourself. Shot on a Canon ZR series handicap, displayed on a CRT TV, and captured in 4K, these assets have been meticulously crafted to evoke nostalgia effortlessly. Enjoy the creative journey without worrying about the technical details.

Included in this package are:

- 6 Digital Camera Texture Overlays
- 2 Textured Backgrounds
- 10 Glitch Transitions
- 10 Graphic Overlays (.png files)
- Instructions

Ideal for:

- Social Content
- YouTube Videos
- Music/Lyric Videos
- Live Projections
- Any other creative projects!
