The Happy Toolbox Model Pack Volume 1 - Cinema 4D

2025-02-10 17:12:44   label 我要反馈   下载页面

Quantity 1 consists of the Building Blocks Pack, Clouds Pack, Food Pack, Trees Pack, and Weapons Pack. That's 180 electronic properties at a discounted price-- and a warranty that every one of them will work together perfectly.

Why Happy Toolbox?

Each of the 180 models in Volume I is thoroughly curated to enhance every other Happy Toolbox design. The alternatives are endless when you can mix as well as match to your creativity's content, and also the properties are easy to use-- sub-D modeled, UV mapped, and available in LIB4D and FBX formats.

With such cautious art direction behind whatever we produce, you're complimentary to stop sweating the little stuff as well as concentrate on the big picture for your following excellent task.
