These 12 Lightroom presets will give your photos a touch of nature. Each preset is inspired by the Elements and will give your photos an authentic look. There are many color options in this collection. You can try them all and choose the one that best suits your photos. Make your photos stand out with one click.

This is a great tool for creating consistent photos and artistically applying trending colors to your feed. It's a must-have for photographers, bloggers, and adventure enthusiasts! Fantastic for natural light photos. It works great for lifestyle, travel, and nature photography. It has been tested on real photos and other devices.

12 Lightroom presets (.xmp,.dng) for desktop and mobile
