Olive Oil Bottle Label Mockup VH-35422496: The AE product is a mockup video that is based on 3D footage to illustrate an image for a label. The project includes two distinct scenes. One has a front view. The other one has a side view. Simply drag your design and modify the lighting effect on the label, and render. Different kinds of labels can be used for this project, including the most transparent ones! 3 labels with examples included.
