

### Unmute Chill Hop Session Vol.1 (WAV, MiDi)

2025-02-10 16:46:17    [label](#)    [我要反馈](#)    [下载页面](#)

**Unmute Chill Hop Session Vol.1 (WAV, MiDi):** Introducing our latest release, "Unmute Chill Hop Session Vol. 1," a curated package featuring 18 meticulously crafted presets for Sylenth1, along with WAV loops, MIDI files from the demo, and the complete FL Studio project.

Exclusively designed to provide the finest presets, MIDI sequences, loops, and WAV files, this comprehensive pack offers an all-encompassing collection to fuel your creativity in crafting hip-hop beats. With elements such as piano melodies, funky basslines, chords, and FX, every essential component is included in this release.

Whether you're delving into Hip Hop, Soul, Chillout, or adding a funky touch to your compositions, this versatile collection is a must-have, serving as a definitive resource to inspire and elevate your music production.

**Included in the package are 18 FXP presets tailored:**

- 2 Bass presets
- 7 Keys/Chords presets
- 1 FX preset
- 6 Leads presets
- 2 Pads presets

Additionally, the pack comprises 40 high-quality WAV loops in 24-bit format and 40 MIDI files extracted from the demo. For a comprehensive understanding of the presets' application, the package also includes the complete demo project from Fruity Loop 10.
