Gamers Promo (Videohive 54029848) - AE Project:

The "Gamers Promo" is an adaptable After Effects project, perfect for creating engaging promotional content.

It is compatible with After Effects 2019 and newer versions, offering support for various resolutions such as 4K, Full HD, mobile, and square formats.

The template is modular, allowing you to customize the number of photos used, with pre-designed options for both an intro and an ending.

It also includes controls for color and line width, a Universalizer for compatibility with any language, and a Photoshop tutorial on how to separate a person from the background.

Please note that images are not included in the package.
