Professional photographer, I have created for many years a large assortment of presets for Lightroom that facilitate my post-treatment work.

Presets Matte Light gives your photos a sober, elegant, and timeless look.

This presets-color range for Lightroom 4 (and subsequent ones) is perfect for processing photos of portraits or weddings.

The presets will be sent to your email address immediately after receipt of your order.

Information:

- Each preset reacts differently depending on the type of photo you have applied him to.
- After purchase, no refunds can be made
- Both for personal and business use. Without my permission, it is strictly forbidden that you resell or deal in these files.
