Soft Shining Photo Effect - 255825662:

The **Soft Shining Photo Effect** allows you to create stunning, high-quality images with ease.

Using Smart Object layers in Photoshop, it offers full customization and a simple workflow.

Just replace the placeholder image, save, and instantly apply the effect.

You can also tweak adjustment settings to refine the final look.

The package includes **2 PSD files** in **4500x3000 px** and **3000x4500 px**, both at **300 DPI**, ensuring high-quality output.

It is compatible with Adobe Photoshop.
