Summary Timeline Presentation VH-54208219:

The Summary Timeline Presentation by TranSMaxX is an After Effects template designed for creating professional business presentations in minutes.

Users can customize text, replace photos with videos, and adjust colors for all elements.

It's ideal for business centers, corporate openers, agency ads, coworking promos, and more.

Key features include compatibility with After Effects CC 2017 to CC 2025, Full HD resolution, 16 media placeholders, 26 editable titles, and universal expressions for any language software.

No plugins are required.

Files included are After Effects project files.
