

Forest & Field Preset Collection – Desktop & Mobile

2025-02-10 17:05:13 label 我要反馈 下载页面

The Forest & Field Collection has been created especially for our astonishing OUTDOOR photographic artists!

These infants will turn Those neon greens that you dread into something deep and rich and yummy. They will take horizontal browns and yellows and change them into something gold, Beautiful, and beautiful.

IMPORTANT: THE FOREST & FIELD PRESET COLLECTION IS ONLY COMPATIBLE WITH LIGHTROOM VERSIONS SEVEN AND NEWER (XMP documents). THERE IS NO LRTEMPLATE VERSION OF THESE PRESETS, AS THOSE OLD VERSIONS HAVE NOW BEEN SUPERSEDED. IF YOU CURRENTLY USE LR 6 OR EARLIER You'll Need TO UPDATE YOUR LIGHTROOM TO USE THESE PRESETS.

As this is an electronic Solution, no refunds may be offered to people with obsolete versions of Lightroom.

What is contained at the Forest & Field Collection for Memory Catchers?

TWELVE versatile and stunning presets for you, the photographic artist. Here's a rundown of those inclusions.

- Black & black This Versatile and classic black & white conversion was made to be a nearly one-click edit. It had been created intentionally for outside work And green configurations to make maximum thickness and comparison, as opposed to the muddy Or flat appearance that may occasionally lead to converting green spaces.

Brownish green golden This preset is for configurations with a lot of browns and Greens, also has been created for people who love the warm golden yellow colors Which are usually present in this kind of lush scenery.

Browns This preset is for configurations with a lot of browns and greens and Has been created for people who don't love the warm golden yellow colors that are frequently present in this kind of lush scenery.

- green Made for Bud! These lush, deep greens require the NEON from your spring and summertime captures. It is likely to be true love, I swear.

- Green mint As previously, However, this version is especially for people who enjoy their greens more Vibrant, minty tones. When deciding on a taste, Be Certain to Provide this man a Whirl when dealing with bud - it may be really gorgeous (even to people deep green Fans) when utilized in the ideal scene!

- Muted green This man Was created for people who favor their greens dull and understated.

- Vinty vibrant Vinty (from the Lovely Newborn Collection) includes a big brother, and he is here to Combine his cousins in the excellent outdoors! This Edition of vanity was talented with More vibrance and thickness than his indoor planned baby sister - ideal for the Brighter lighting and scenery. Do not forget to correct WB AFTER using the Wait with this fella to look his very best.

There's also a LIGHT variant of all the heart presets. These serve two functions.

First, they are ideal for people who prefer a milder, more Airy outcome.

Secondly, if you have taken in a compact or large shaded area at which the light was reduced And shadows are deep, employing the LIGHT variation of your favorite preset will Help create the best outcome. It is meant to handle the Extra grain introduced By the shadows, in addition to decreasing the darkness and unpleasantness generated by color and low light.

These presets are compatible with Lightroom Version 7 and Upward (XMP documents), in addition to Adobe Camera Raw.

A cellular-friendly version of this presets is also included in this order - only a small way to say that I love you! You will find The
